

Federal Election Commission,

The WCPAC regrets to inform the Federal Election Commission that an error was made in the processing of WCPAC payroll deduction contributions in the February 20, 2009 report. A \$60.00 payroll deduction contribution from Timothy Yaggi was inadvertently reported from Whirlpool's third-party payroll processing company Convergys. Mr. Yaggi had left the company and did not contribute \$60 on 01/31/2009. An amended February 20, 2009 report has been filed as well as an amended March 20, 2009 report to reflect the change in starting and ending balances. The WCPAC apologizes for this error and is reviewing the reporting of payroll deductions with our third-party vendor to ensure that these types of errors do not occur in the future.

Sincerely,

Sean Mackay  
Whirlpool Corporation Political Action Committee (WCPAC) Treasurer
